

## AUSTIN BARKITECTURE Participant Application Saturday, November 6th 12pm-4pm

Your Firm is invited to participate in a very unique, truly Austin event hosted by the 2<sup>nd</sup> Street District on Saturday, November 6<sup>th</sup> 2010!

**Barkitecture** is an annual event featuring one of a kind dog house's built by Austin's finest Architects, Builders, Interior Designers and other stand-out individuals in the building industry. These houses are then auctioned off with all the proceeds benefitting local area animal rescue and advocacy groups.

Unleash your imagination and create a doghouse that exemplifies one of the following categories: **Greenest, Best Urban Dwelling, Best Backyard Bungalow, Most Unusual Dog House.** (Please keep in mind that this is Austin; therefore, sustainable and recyclable materials are highly encouraged regardless of which category you choose to enter!)

Due to the great success of last year's event, Barkitecture has grown tremendously and is now functioning under the umbrella of our newly established non-profit organization, "**Animal Lovers of Austin, Inc.**". This change will allow you to consider your dog house as a donation to a non-profit and therefore a tax write off!

We are also expanding the event to encompass 3 blocks on 2<sup>nd</sup> Street this year with dog houses on each end and rescue groups stationed in front of City Hall. These changes to the event did not come without a price and we need to recoup these funds through event sponsorship and a \$50 participant application fee. Your application fees will greatly benefit the event along with the rescue groups involved.

### **Ready to Participate?!?**

Please fill out the attached application and mail it, along with your check, to the address shown below. With a maximum of 30 participants don't delay sending in your application. First come, first serve with application and check!
